ES-797

THE HEBER CREEPER

The Heber Creeper climbing the steep 2.5% grade out of Provo River Canyon to Cascade, station at Deer Creek Dam. Engine #618 is a 2-8-0 built by Baldwin in 1907. The Heber Creeper runs between Heber City on U.S. 40 and Bridal Veil Falls on U.S. 189. Mount Timpanogos is in the background.

Color by Ed McLaughlin.
